

Ovation Serger Cover for Sew Steady Table

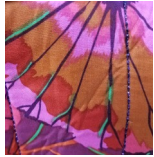

Pattern includes the following techniques, working with wire, flat-lock weaving, prairie points, no turn casing and cording. The patchwork section on the back of cover holds the `Threading Guide`, the one side pocket holds flex and foot pedal.

Access to a number of videos to help you with the techniques.

You can also join `My Sew Along` course on a closed Facebook Group with access to 40 Videos to help you make this cover and get help on line.

You will need:- You will need to make a pattern of your Sew Steady Table so bring it to class
