

# Ovation Triumph Serger Cover

Pattern includes the following techniques, working with wire, flatlock weaving, prairie points, no turn casing and cording. The patchwork section on the back of cover holds the `Threading Guide`, the two side pockets hold flex and foot pedal.

Access to a number of free videos to help you with the techniques.

**You can also join `My Sew Along` course on a closed Facebook Group with access to 40 Videos to help you make this cover and get help on line. (\$10 charge)**
