

Ovation Serger Cover for Koala Cabinet

Pattern includes the following techniques; working with wire, flatlock weaving, prairie points, no turn casing and cording. The patchwork section on the back of cover holds the `Threading Guide`, the right side pocket will hold the flex and foot pedal.

Access to a number of free videos to help you with the techniques.

You can also join `My Sew Along` course on a closed Facebook Group with access to 40 Videos to help you make this cover and get help on line.
