TRUNK SHOW

AND PRESENTATION

Tracey Sims, award winning artist and designer for Zundt Design® will present their latest embroidery collections; project books, patterns, stencils and the stunning range of metallic threads.

Tracey and Urban are sure your customers will love seeing the exquisite quilts, cushions and other items from their Project Book and CD collections, inspiring customers to make these for themselves.

Additionally, for the benefit of your customers, Tracey will share a presentation –

Sketches to Stitches

This presentation gives an insight into Tracey & Urban's industry background and the processes of incredible design development: - from the initial idea, sketches and artwork, to digitizing and the final embroidered project.

The Trunk Show and Presentation is approximately two and a half hours, plus sales time and book signings.

For a full day event, Tracey will demonstrate sketching ideas and show how these ideas come together as a design. She will also present

A Bit about Colour

A practical guide to colour planning, with a focus on Machine Embroidery and Textiles.

Tracey also offers **hands-on workshops**. She is an accomplished tutor and facilitates one, two and three day hands-on workshops.

In each workshop, Tracey teaches the step-by-step processes and unique skills she has developed to create the stunning finished project.

The Trunk Show/Presentation fee is \$275 half day, and \$500 for a full day presentation plus accommodation.

Tuition fee for a one-day workshop is \$500, \$950 for a two-day workshop (1 project) and \$1350 for a three-day workshop (1 project).

Accommodation is also required for the duration of the workshops and setup.

We are very excited to share our beautiful designs with you and your customers.
